FAQS**

1. I cannot remember my login information. How do I get into my account?

You need to talk to the TN.gov Accounts Management team. You can call them at (629) 888-5870 or send them an email at apps.support@tn.gov. They support all users for the State of Tennessee, so be sure to give them as much detail about what account you're trying to access up front.

2. Who must file Campaign Financial Disclosure Statements?

PROSPECTIVE CANDIDATES. Any individual who receives contributions or makes expenditures (except for incidental expenditures) to determine if he or she will be a candidate for state or local public office is required to report to the appropriate agency. T.C.A. § 2-10-102(3).

ANNOUNCED CANDIDATES. Any individual who has made a formal announcement of his or her candidacy for a state or local elected public office or who has formally qualified to seek election to public office in a primary or general election in Tennessee is required to report to the appropriate agency. T.C.A. § 2-10-102(3).

CANDIDATES EXEMPTED. A local candidate may be exempt from the Campaign Financial Disclosure Act's requirements if he or she is seeking a public office for which the service is part-time and for which the compensation is less than one thousand dollars (\$1,000) per month. This exemption does not apply if the public office being sought is that of a chief administrative officer or if the candidate spends more than one thousand dollars (\$1,000) seeking election to the public office. T.C.A. § 2-10-101(b).

3. Where must campaign financial disclosure reports be filed?

CANDIDATES FOR STATE PUBLIC OFFICE. Candidates and single-candidate political campaign committees involved in elections for state public offices (Governor, member of the General Assembly, delegate to a Tennessee Constitutional Convention, District Attorney General, District Public Defender, Judge of the Court of Criminal Appeals, Judge of the Court of Appeals, Supreme Court Justice, Chancellor, Circuit Court Judge, Criminal Court Judge and Probate Court Judge) must file all required reports with the Registry of Election Finance, WRS Tennessee Tower, 2nd Floor, 312 Rosa L. Parks Avenue, Nashville, TN 37243. T.C.A. § 2-10-105(a).

CANDIDATES FOR LOCAL PUBLIC OFFICE. Candidates or single-candidate political campaign committees involved in elections for local public offices (all offices not listed above as state public offices) must file all required reports with the election commission of the county or counties where the election will be held. T.C.A. § 2-10-105(b).

4. What must a candidate do to begin a campaign operation?

Political Campaign Treasurer. Before any monies can be received or spent, (except for incidental expenditures made by an individual to determine whether to be a candidate), each candidate must certify the name and address of its political treasurer to the Registry of Election Finance for a state election and to the county election commission for a local election. This is accomplished by completing and filing an appointment of political treasurer statement. T.C.A. §§ 2-10-102(3), 2-10-105(4)(e)(1), 2-10-105(e) (2022).

A candidate may appoint himself or herself as the political treasurer for a campaign. If a candidate appoints another person to act as political treasurer, the candidate must co-sign all reports required to be filed under the Campaign Financial Disclosure Act. T.C.A. § 2-10-105(4)(e)(1)

Campaign Bank Account. Campaign funds are not the personal property of a candidate or other individual. T.C.A. § 2-10-106(b)(2) (2023). All campaign funds must be kept at all times in a separate and segregated bank account from other funds, including personal funds and funds attributable to the activities of a candidate controlled political campaign committee (often referred to as a “Leadership PAC”). T.C.A. § 2-10-106(b)(1) (2023). All campaign funds must be deposited into this account and all expenditures of campaign funds must be expended from this account. Furthermore, candidates are required to segregate all credit transactions incurred on behalf of their campaign account from all other credit transactions, including personal transactions and transaction attributable to the activities of a Leadership PAC. If a candidate wishes to conduct campaign activity using a credit card, the candidate must either obtain a credit card in the name of the campaign or designate a particular personal credit card for campaign activity (and ensure that there is no other activity occurring on this card).

Commingling of campaign funds or credit transactions with personal or other funds or credit transactions is a Class 2 offense punishable by civil penalties. T.C.A. § 2-10-106(b)(3).

If a person is a candidate for more than one public office, the candidate must maintain separate campaign bank accounts for each office sought. Rule 0530-1-3-.02(3)(a).

5. How long is an Appointment of Political Treasurer statement effective?

CANDIDATES - PRIMARY, GENERAL ELECTIONS. A political treasurer appointed by a candidate or single-candidate political campaign committee may serve for both the primary and general elections. After the last election in which that candidate or committee is involved in that election year, monies shall not be received or spent for a future election until the candidate or committee has formally appointed a political treasurer for the future election year and filed a report of that appointment with the Registry of Election Finance or the appropriate county election commission. (The new appointment must be filed, even if the treasurer is the same individual who served in that capacity in the candidate’s previous election.) T.C.A. § 2-10-105(g).

A candidate for state or local public office, or an elected state or local public office holder, shall not accept a contribution with respect to an election in excess of the loans and obligations outstanding from such election after the close of the reporting period following the date of the election, not including the reporting period in which the election occurs, without first filing a new appointment of political treasurer form for a future election. A successful candidate for state or local public office who reports no outstanding loans or obligations may continue to accept contributions for the purpose of defraying officeholder expenses until the close of the reporting period following the date of the election, not including the reporting period in which the election occurs and should then file a new appointment of political treasurer form for the next future election.

CHANGE OF TREASURERS. Candidates must notify the Registry or the appropriate county election commission of any changes in the office of political treasurer. An appointment of political treasurer statement must be completed and filed for the individual who replaces the previous treasurer.

6. What information must be reported in a campaign financial disclosure statement?

CONTRIBUTIONS. A reportable contribution is defined by the law as being “any advance, conveyance, deposit, distribution, transfer of funds, loan, loan guaranty, personal funds of a candidate, payment, gift, or subscription, of money or like thing of value, and any contract, agreement, promise or other obligation. . . made for the purpose of influencing a measure or nomination for election or the election of any person for public office.” Additionally, any of these items given to an officeholder “for the purpose of defraying any expenses. . . incurred in connection with the performance of the officeholder's duties, responsibilities, or constituent services” are reportable as contributions. T.C.A. § 2-10-102(4).

IN-KIND CONTRIBUTIONS. In-kind contributions are goods or services provided to a candidate without charge (such as the use of equipment or advertisement materials at no cost to the candidate) and must be listed separately on the campaign financial disclosure statement from other campaign contributions. T.C.A. § 2-10-107(c)(1) and Rule 0530-1-1-.03(6). An in-kind contribution is considered to be made and is reportable during the period in which the contribution is made or performed, not when the cost of the contribution is billed or paid.

The amount of an in-kind contribution which should be reported by a candidate should be the fair market value for such goods or services provided. T.C.A. § 2-10-107(d). If the actual cost of an in-kind contribution is not known at the time when it is reportable, an estimate of the cost shall be reported during the period that the contribution is made or performed, and the disclosure report shall indicate that the amount reported is estimated. If the actual cost of the in-kind contribution as indicated on the bill for the goods or services is different than the amount reported, the candidate shall adjust the amount reported on a later disclosure statement covering the period in which payment for the in-kind contribution is made. T.C.A. § 2-10-107(d).

EXPENDITURES. A reportable expenditure is defined by statute as “a purchase, payment, distribution, loan, advance, deposit or gift of money or anything of value made for the purpose of influencing a measure or the nomination for election or election of any person to public office.” T.C.A. § 2-10-102(6)(A). An “independent expenditure” is an expenditure that is made for the purpose of influencing a measure or the nomination for election or election of any person to public office which is not made with the cooperation, consultation, or in concert with, or at the request or suggestion of, a candidate, a candidate’s political campaign committee, or their agents. Independent expenditures are not contributions but are reportable by the candidate/committee making the expenditure. T.C.A. § 2-10-303(5).

For purposes of determining whether an expenditure constitutes either a contribution or independent expenditure has occurred or is reportable, the Registry of Election Finance may rely upon the precedents established under federal law, including but not limited to any guidance or regulatory interpretation published by the Federal Election Commission. T.C.A. § 2-10-309.

LOANS. A campaign loan must be disclosed by a candidate during the reporting period that the loan is made. A loan must continue to be disclosed on future campaign financial disclosure statements until the loan is paid back in full or a statement has been filed with the appropriate campaign financial disclosure statement by the candidate stating that the loan will not be repaid and is to be considered a contribution to the campaign. Rule 0530-1-1-.06(1) and Rule 0530-1-1-.06(2).

OBLIGATIONS. Goods and services received on credit which are not paid for during the reporting period received must be disclosed as an obligation by the candidate during the reporting period that the obligation is incurred. This obligation must continue to be disclosed by the candidate or committee on campaign financial disclosure statements until fully paid. Payments on the obligation shall be disclosed as expenditures by the candidate on the appropriate campaign financial disclosure statement(s). Rule 0530-1-1-.10(1).

7. What details are required in a campaign financial disclosure statement?

Short Form. Candidates are exempt from filing a detailed disclosure statement if neither contributions received nor expenditures made during a reporting period for which a statement is submitted exceed one thousand dollars (\$1,000). The candidate must report the balance of contributions on hand, outstanding loans, and outstanding obligations. T.C.A. § 2-10-107(a)(1).

Detailed Disclosure. A candidate which has over one thousand dollars (\$1,000) in contributions and/or expenditures must complete a detailed disclosure and list contributions, expenditures, loans, and obligations as described below. T.C.A. § 2-10-107(2)(A)(i).

Unitemized Contributions. Contributions totaling one hundred dollars (\$100) or less from a single source during the reporting period may be totaled and reported as a single item. T.C.A. § 2-10-107(2)(A)(i).

*Effective January 16, 2023, unitemized contributions are capped at \$2,000 per reporting period. Once the \$2,000 amount has been reached for a reporting period, any contribution received thereafter must be itemized regardless of the amount. T.C.A § 2-10-107(g). Further, any candidate who files a contribution statement with more than thirty percent (30%) of the candidate's contributions reported as unitemized contributions will automatically be required to have their contributions **AUDITED**. T.C.A. § 2-10-212(i)(3). To avoid this audit requirement, if the candidate would otherwise be subject to this requirement, all contributions should be itemized.

Itemized Contributions. Candidates are required to list the full name, complete address, amount, date of receipt of contribution, and the election the contribution is designated for, for each person or organization who contributes a total of more than one hundred dollars (\$100) during a reporting period. In addition, if this contribution is from an individual, the contributor's occupation and employer must be listed. A candidate that makes a "best effort" to obtain the address, occupation and employer for a contribution is considered to be in compliance with the requirement. "Best Effort" would include requesting the information on an invitation and stating that the information is required by state law for contributions over \$100 or requesting the information in a letter sent by first class postage and stating that the information is required by state law for contributions over \$100. T.C.A. § 2-10-107(a)(2)(A)(i).

For example, a person who contributes fifty dollars (\$50) one day, fifty dollars (\$50) the following day and one dollar (\$1) the next day would have to be specifically listed on the campaign financial disclosure statement as having contributed one hundred one dollars (\$101), if all those monies were contributed during one reporting period. Likewise, a person who buys five (5) tickets to a campaign fundraiser at twenty-five dollars (\$25) each would have to be specifically listed on the campaign financial disclosure statement as having contributed one hundred twenty-five dollars (\$125). A contributor may designate his/her contribution to a candidate by indicating in writing the specific election to which the contribution is intended to apply.

Unitemized Expenditures. All expenditures must be itemized. The law requires candidates to list the full name and address of each person or organization to whom any expenditure was paid during a reporting period. The law also requires that the amount of each expenditure paid to such person or organization be reported, along with a detailed statement of the purpose of the expenditure. T.C.A. § 2-10-107(a)(2)(B).

When a purchase is made with a credit card, the purchase must be disclosed as a payment to the vendor (not the credit card company). For example, if printing is purchased from ABC Printing with a credit card, the payee must be listed as ABC Printing. T.C.A. § 2-10-107(a)(2)(B).

Purchases of goods and services must be disclosed as a purchase from the actual vendor and not as a purchase from a third party who is reimbursed for the purchase. For example, if a campaign worker goes to ABC Printing and pays for printing and is then reimbursed by the campaign for the printing, the disclosure must list ABC Printing as the vendor and not the campaign worker. T.C.A. § 2-10-107(a)(2)(B).

When listing the purpose of an expenditure, the words "reimbursement", "credit card purchase", "other" and "campaign expenditure" may not be used as the purpose. The purpose must be detailed enough to show that the expenditure was an allowable expenditure. T.C.A. § 2-10-107(a)(2)(B).

Loans. Itemized information must be provided for all loans for more than one hundred dollars (\$100) from one creditor during a reporting period. This information includes the full name and address of each creditor, and the date that the loan was made must be provided. In addition, any endorsers or guarantors for a loan must be listed by full name and address and the amount of the loan which is guaranteed by that person must be disclosed. The outstanding loan balance at the beginning of the reporting period, any additional loans received during that period,

any loan payments made during the period and the outstanding loan balance at the end of the reporting period must also be disclosed. T.C.A. § 2-10-107(a)(2)(A)(I).

Obligations. All obligations owed at the end of a reporting period for more than one hundred dollars (\$100) to one creditor must be itemized. The itemized information required includes the full name and address of the creditor. In addition, the outstanding obligations' balance at the beginning of the reporting period, any additional obligations incurred during the period, any payments made to the creditor during the period and the outstanding obligations balance at the end of the reporting period must be disclosed.

8. What campaign financial disclosure statements may a candidate have to file?

Below is a list of campaign financial disclosure reports that may be required to be filed by a state or local candidate. The reports a candidate is required to file will depend on the office sought and the date that an appointment of a political treasurer statement is filed with the Registry of Election Finance or the local county election commission. In order to view the specific reports required for your current election, please refer to the Registry's website or contact your local county election commission.

Early Semi-Annual Supplemental. If a candidate appoints a political treasurer before January 16 in the year of the election in which the candidate or committee expects to be involved, the candidate or committee must file early supplemental campaign financial disclosure statements by January 31 and July 15 of each year preceding the election. The early supplemental report must cover the period beginning with the date of the first contribution or first expenditure, whichever is earlier, or the date of the last early supplemental report. The ending dates of the reporting periods are January 15 and June 30 of each year. T.C.A. § 2-10-105(c)(3)

The early semi-annual supplemental report does not need to be filed if it is within sixty (60) days of another report required under the Campaign Financial Disclosure Act. T.C.A. § 2-10-105(c)(3)

1st Quarter. This campaign financial disclosure statement must be filed no later than April 10. The ending date of this report will be March 31. The beginning date of this report will be dependent upon several factors, including, the office the candidate is seeking, whether this is the candidate's first report and when the candidate filed an Appointment of Political Treasurer Statement. T.C.A. § 2-10-105(c)(1)

2nd Quarter. This campaign financial disclosure statement must be filed no later than July 10. The ending date of this report will be June 30. The beginning date of this report will be depending upon several factors, including, the office the candidate is seeking, whether this is the candidate's first report and when the candidate filed an Appointment of Political Treasurer Statement. T.C.A. § 2-10-105(c)(1)

3rd Quarter. This campaign financial disclosure statement must be filed no later than October 10. The ending date of this report will be September 30. The beginning date of this report will be dependent upon several factors, including, the office the candidate is seeking, whether this is the candidate's first report and when the candidate filed an Appointment of Political Treasurer Statement. T.C.A. § 2-10-105(c)(1)

4th Quarter. This campaign financial disclosure statement must be filed no later than January 25. The ending date of this report will be January 15. The beginning date of this report will be dependent upon several factors, including, the office the candidate is seeking, whether this is the candidate's first report and when the candidate filed an Appointment of Political Treasurer Statement. T.C.A. § 2-10-105(c)(1)

Pre-Primary. A campaign financial disclosure statement must be filed no later than seven (7) days before the primary election. The ending date of this report will be ten (10) days before the primary election. The beginning date of this report will be dependent upon several factors, including, the office the candidate is seeking, whether this

is the candidate's first report and when the candidate filed an Appointment of Political Treasurer Statement. T.C.A. § 2-10-105(c)(1)

Pre-General. A campaign financial disclosure statement must be filed no later than seven (7) days before the general election. The ending date of this report will be ten (10) days before the general election. The beginning date of this report will be dependent upon several factors, including, the office the candidate is seeking, whether this is the candidate's first report and when the candidate filed an Appointment of Political Treasurer Statement. T.C.A. § 2-10-105(c)(1).

Semi-Annual Supplemental. If a candidate shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit on their 4th Quarter report, the candidate must file a semi-annual supplemental campaign financial disclosure report by January 31 and July 15 each year until the campaign account is closed. The ending dates of the reporting periods are January 15 and June 30 of each year. T.C.A. § 2-10-106(a).

Note: "Filed" means the date that the Registry or county election commission actually receives the candidate or committee's disclosure statement or the date of the postmark if the statement is mailed by either certified or registered mail. T.C.A. § 2-10-102(7).

Banking Statements. Effective January 1, 2024, for any candidate with an open campaign account who has not filed a new appointment of political treasurer form for a future election, in addition to filing campaign finance disclosure reports the candidate must also file a complete copy of the candidate's campaign account banking statements corresponding to the full term of the reporting period with the registry or local election commission, as applicable. The candidate must continue to file these banking statements for each required reporting period until such time as the candidate properly closes out the campaign account, or until such time as the candidate transfers such funds, loans, or obligations to another campaign fund for a subsequent election, whichever occurs earlier. A failure to file the required banking statements is a Class 2 offense as defined by § 2-10-110(a)(2).

9. Does the Registry have electronic filing for Candidates?

Yes, candidates required to file campaign disclosure reports with the Registry can file those reports electronically. The electronic filing system is an Internet based software maintained by the Registry. T.C.A. § 2-10-211. When a state candidate files an Appointment of Treasurer Statement with the Registry, they will receive an ID and Password that will allow them to file electronically.

Those candidates for state public offices with contributions or expenditures in excess of \$1,000 per reporting period are required to file electronically. T.C.A § 2-10-211(c).

While the electronic filing system is easy to use, if you feel you need training or you just have questions, please contact us at (615) 741-7959. If you would like to see a demo of the system, go <https://apps.tn.gov/tncamp/> and click on the "online demo" link.

10. What reports are required if there is a runoff election?

A runoff election will require the candidate or committee involved in the election to file at least one additional campaign financial disclosure statement. The following reports must be filed:

Pre-Runoff. A campaign financial disclosure statement must be filed no later than seven (7) days before the runoff election, reporting all contributions and expenditures from the last day of any prior report through the tenth (10th) day before the election. T.C.A. § 2-10-105(c)(2).

Additional Reports. The candidate or committee involved in the runoff election will also be required to continue to file semi-annual supplemental campaign financial disclosure reports as long as the campaign account is open. Please see Question 8 for additional information on these reports. T.C.A. § 2-10-106(a).

11. Will a candidate receive notice when a disclosure report is due?

The Registry of Election Finance is required to notify candidates for state public office fourteen (14) days before any report is due. The county election commission is required to notify candidates for local public office seven (7) days' notice for any report due in the county. T.C.A. § 2-10-103(a)(4) and T.C.A. § 2-10-206(a)(9).

However, all filers are responsible for ensuring that campaign financial disclosure reports are timely filed and that all contact information is kept up to date. The Registry and the local election commission often sends important items by certified mail, so it is important that all filers retrieve their certified mail as directed by the US Postal Service and/or provide a valid mailing address for this purpose.

Note: Effective January 1, 2024, the Registry of Election Finance will transition to communicating with all filers primarily through email and, alternatively, through regular mail. Therefore, you should ensure that your email address and mailing address is up to date at all times and that you are checking these inboxes regularly.

12. Are candidates required to file a report during the final days of an election?

Interim Report. Candidates are required to file Interim Reports to report major contributions, loans, expenditures, and/or obligations during the final days of a campaign. T.C.A § 2-10-105(h). Such contributions, loans, expenditures, and/or obligations must be reported if they are received/incurred during the period beginning at midnight of the 10th day prior to any election in which the candidates or committees are involved and extending through midnight of such election day.

Each candidate must disclose the full name and address of each person or political campaign committee (often referred to as a "PAC") from whom the filer received and accepted a contribution, loan, or transfer of funds and the date of receipt of such contribution, loan, or transfer of funds which, in the aggregate, equals or exceeds the following: for a candidate for any statewide office, five thousand dollars (\$5,000); for a candidate for senate, three thousand dollars (\$3,000); for a candidate for any other state or local public office, one thousand dollars (\$1,000). Such contributions or loans must be reflected on any subsequent campaign financial disclosure statement required by law.

Further, each candidate must disclose the full name and address of each person or recipient entity who was paid or to whom an obligation is owed which equals or exceeds the following: for a candidate for any statewide office, five thousand dollars (\$5,000); for a candidate for senate, three thousand dollars (\$3,000); for a candidate for any other state or local public office, one thousand dollars (\$1,000). Such expenditures or obligations must be reflected on any subsequent campaign financial disclosure statement required by law.

This report must be filed with the Registry of Election Finance or the county election commission, as appropriate, by the end of the next business day following the day on which the contribution or expenditure to be reported is received or made. If such time falls other than during regular working hours, the report shall be filed after the opening of the office of the Registry or election commission on the next working day. **These reports must be filed on a rolling basis.**

For more information on how to complete this report, see the Interim Report Instructions booklet.

13. What activities are not campaign contributions?

The following are NOT campaign contributions and are not required to be reported:

- a) **Volunteer Work.** Services, including expenses provided without compensation by a candidate, or any individuals who volunteer a portion or all of their time on behalf of a candidate are not contributions. T.C.A. § 2-10-102(4)(A).
- b) **Publicity.** Not included within the meaning of contribution is any news story, commentary or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication, unless such facilities are owned wholly or in part or controlled by a political party, political committee, or candidate. T.C.A. § 2-10-102(4)(B).
- c) **Voter Registration Efforts.** Any nonpartisan activity designed to encourage individuals to vote or to register to vote is not considered a campaign contribution. T.C.A. § 2-10-102(4)(C).
- d) **Internal Communications.** Not included within the meaning of contribution is any written, oral, or electronically transmitted communication by any membership organization or corporation to its members or stockholders, if such membership organization or corporation is not organized primarily for the purpose of influencing the nomination for election or election of any person to public office. However, if the organization or corporation simply finances the dissemination, distribution, or republication in whole or in part of campaign materials prepared by the candidate or candidate's committee, then such financing shall be considered a campaign contribution. T.C.A. § 2-10-102(4)(D).
- e) **Other Candidate-Related Activities.** Not included within the meaning of contribution is the use of real or personal property and the cost of invitations, food and beverages not exceeding one hundred dollars (\$100), voluntarily provided on an individual's residential premises for candidate-related activities. T.C.A. § 2-10-102(4)(E).

14. Are there any dollar limitations on the amount of campaign contributions a candidate may accept from a person or a PAC?

Pursuant to the Campaign Contribution Limits Act of 1995, T.C.A. 2-10-301, et seq., there are limits on how much monies that a person or a political campaign committee ("PAC") may contribute to a candidate's campaign per election and how much monies that a candidate may accept for an election from a person or PAC. Those dollar limitations are based on the office sought by the candidate. Those limits are as follows:

<u>OFFICE SOUGHT</u>	<u>PERSON</u>	<u>PAC</u>	<u>TOTAL CONTRIBUTIONS FROM PACS (EXCLUDES POLITICAL PARTY PACS¹)</u>	<u>TOTAL CONTRIBUTIONS FROM POLITICAL PARTY PACS</u>
Statewide Candidates (incl. Governor)	\$4,900	\$14,400	50% of total PAC Contributions	\$477,300
State Senate	\$1,800	\$28,800	\$286,400	\$76,300
House of Representatives	\$1,800	\$14,400	\$143,200	\$38,300
Local, and other State Candidates ²	\$1,800	\$9,400	\$143,200	\$38,300

¹ Political Party PACs include those committees controlled by a political party on the national, state, or local level and caucuses of a political party established by members of either house of the General Assembly. T.C.A. § 2-10-302.

² Other State Offices includes Criminal Court Judges, Circuit Court Judges, Chancellors, Probate Court Judges, District Attorney Generals and Public Defenders. T.C.A. § 2-10-102(13).

For purposes of dollar limitations, a primary election, general election, run-off election or special election are each considered a separate election with separate contribution limits. For example, a candidate for state house in a special election could accept \$1,800 from John Doe relative to the special election. If the candidate is later a candidate for the same office in the August primary election, the candidate could accept another \$1,800 from John Doe in relation to the primary election. If a runoff election is required, the candidate could accept another \$1,800 from John Doe for the runoff election. Further, if the candidate is successful in the runoff election and also runs in the general election, the candidate could accept another \$1,800 from John Doe for the general election.

15. What is included as a contribution for purposes of the contribution limitations?

Campaign contributions made by cash or a written instrument, such as a check, as well as in-kind contributions, are subject to the contribution limitations of the law.

Loans are also be considered a campaign contribution and subject to the contribution limits. A person making a loan to a candidate from their personal monies shall be considered to have made a contribution, subject to the contribution limitations, in the amount of the outstanding loan. T.C.A. § 2-10-102(4). A person who endorses or guarantees a candidate's campaign loan shall be considered to have made a contribution, subject to the contribution limitations, to the candidate's campaign in the amount of the endorsement or guaranty. Where the portion of the loan for which the endorser or guarantor is liable is not specified in the written agreement, each endorser or guarantor shall be considered to have made a contribution in that proportion of the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

16. What is not included as a contribution for purposes of the contribution limitations?

The limitations do not apply to the retention or transfer of funds by a candidate to his/her own campaign from surplus funds from another campaign of the candidate. (Please remember that a candidate shall not transfer funds from a local campaign account to a legislative or gubernatorial campaign account.)

The limitations do not apply to a contribution, including a loan, made by a candidate to his/her own campaign.

A loan obtained by a candidate from a financial institution is not subject to the dollar limitations if the loan meets the following criteria:

- a) Is made in the ordinary course of business;
- b) Is made on a basis reasonably designated to assure repayment, evidenced by a written instrument and subject to a payment due date or amortization schedule; and
- c) Bears the usual and customary interest rate of the lending institution.

T.C.A. § 2-10-304.

17. How are contributions reported?

Candidates must properly attribute contributions to both the proper election and the proper contributor, and report accordingly, in accordance with the following:

- In the case of a contribution designated in writing by the contributor for a particular election, the election so designated.
- In the case of a contribution not designated in writing by the contributor for a particular election, the next election after the contribution is made.
- A contribution designated in writing for a particular election, but made after that election, must be made only to the extent that the contribution does not exceed the contribution limits from such election. To the extent that such contribution exceeds the contribution limits from such election, the candidate shall either

return the contribution to the contributor or obtain written authorization from the contributor to redesignate the contribution to another election within sixty (60) calendar days of the receipt of the contribution.

- A contribution made by more than one (1) person, except for a contribution made by a partnership, must include the signature of each contributor on the check, money order, or other negotiable instrument or in a separate writing. If a contribution made by more than one (1) person does not indicate the amount to be attributed to each contributor, the contribution is deemed to be attributed equally to each contributor.
- The limitations on contributions apply separately to contributions made by spouses, even if only one (1) spouse has income; provided, that each spouse signs the check, money order, or other negotiable instrument or the separate contributions are designated in writing by the contributing spouses as being independent contributions. Contributions made from an account shared by spouses, regardless of the type of account, must be presumed to be made by the individual authorizing the contribution alone, absent the written designation of independent contributions.

18. Are there restrictions on the acceptance of campaign contributions related to the legislative “blackout” period?

Blackout Periods. From the convening of the General Assembly in organizational session through the earlier of June 1 or the last day of regular session in odd numbered years and from the convening of regular legislative session to the earlier of May 15 or the conclusion of annual session in even numbered years and from the convening of an extraordinary session through the conclusion of extraordinary session, the governor or a legislator may not have a fundraiser or solicit or accept contributions for the governor or legislator's benefit or for the benefit of another legislative candidate or gubernatorial candidate, a political party legislative caucus PAC or any member of a political party legislative caucus PAC. T.C.A. § 2-10-310(a)(1).

Contributions which are made and postmarked/shipped prior to the start of the legislative session may be received and deposited into a campaign account after the start of legislative session. If this occurs, the recipient should make every effort to deposit the contribution as soon as possible and should maintain a copy of the envelope in which the contribution was mailed in order to substantiate the date of postmark or shipping date. At a minimum, such contributions must be deposited within a reasonable time after the date of receipt. Such contributions should be reported as received on the date of the postmark/ship date provided by the carrier.

Contributions which are made and delivered to the intended recipient by hand prior to the start of legislative session may also be deposited into a campaign account after the start of legislative session. If this occurs, the contribution must be dated prior to the start of session and every effort should be made to substantiate the receipt/delivery of the contribution prior to the start of legislative session. At a minimum, such contributions must be deposited within a reasonable time after the date of receipt. Such contributions should be reported as received on the date the contribution was actually received by the recipient.

Additionally, from the convening of the General Assembly in organizational session through the earlier of June 1 or the last day of regular session in odd numbered years and from the convening of regular legislative session to the earlier of May 15 or the conclusion of annual session in even numbered years and from the convening of an extraordinary session through the conclusion of extraordinary session, a political party PAC is prohibited from conducting a fundraiser, soliciting or accepting campaign contributions for the benefit of a legislative candidate, gubernatorial candidate, a caucus or any caucus member. T.C.A. § 2-10-310(b).

An employer of a lobbyist or a PAC controlled by an employer of a lobbyist is prohibited from making a campaign contribution to a gubernatorial or legislative candidate during regular or extraordinary legislative session. T.C.A. § 3-6-304.

19. Are corporate campaign contributions allowed in Tennessee?

Yes, corporations are permitted to make contributions to candidates and PACs in Tennessee. Corporations making campaign contributions to candidates totaling over \$1,000 in the aggregate in a calendar year are deemed to be a political campaign committee (“PAC”) and must register and file campaign financial disclosure reports. Thus, a corporation making contributions to one or more candidates totaling over \$1,000 in the aggregate are also subject to the contribution limits attributable to PACs.

Note: A corporation that makes contributions only to one or more political campaign committees (and not to any candidate) is not required to register or file disclosure reports. The PAC receiving the contribution will be required to report the contribution. There is no contribution limit applicable to the amount that a corporation can give to a political campaign committee.

20. Are cash contributions allowed?

No person may make cash contributions to any candidate that, in the aggregate, exceeds **\$50.00** per election. Therefore, cash contributions are not prohibited, but are discouraged. Political campaign committees (“PACs”) may NOT make cash contributions to candidates. T.C.A. § 2-10-311(a), T.C.A. § 2-10-311(b) and T.C.A. § 2-10-311(c).

21. Can a candidate use funds from a previous election for a subsequent election?

All state and local candidates may transfer unexpended campaign funds to a future campaign for the same office by that candidate. State candidates may transfer any excess campaign funds to any future state or local campaign that the candidate establishes. Local candidates may transfer excess campaign funds only to future local campaigns that the candidate establishes. T.C.A. § 2-10-114. (For state candidates, these funds will automatically ‘roll-over’ to the candidate’s next campaign when the candidate files a new appointment of political treasurer form for the next election, absent written notification to the Registry from the candidate that these funds are not intended to be transferred forward to the next election.)

22. Are there any restrictions on the use of campaign contributions by candidates?

GENERALLY. A candidate for an elected public office is prohibited from using any campaign funds prior to, during, or after an election for the candidate’s own personal use. Personal use is defined as any use of funds that would require the candidate or official to treat the use as gross income under Section 61 of the IRS Code of 1986. T.C.A. § 2-10-114(b)(1).

Whether an expenditure of campaign funds by a candidate is made for a political purpose depends upon all the facts and circumstances surrounding the expenditure. An activity engaged in between elections by a candidate which is directly related to and supports the selection, nomination, or election of that individual to public office is considered political activity. An expense which would be incurred by an individual regardless of that person’s candidacy for public office is considered an expenditure for a nonpolitical purpose, except as allowed for the expenditure of surplus contributions.

UNEXPENDED FUNDS. A candidate with surplus campaign funds from an election shall allocate unexpended funds to one (1) or more of the following:

- a.) The funds may be retained or transferred to any campaign fund pursuant to Tennessee's reporting requirements, except a candidate for local office shall not transfer surplus funds from such an account to a campaign account for the General Assembly or governor. T.C.A. § 2-10-114(a)(1).
- b.) The funds may be returned to any or all of the candidate's contributors as set forth in a formula or plan specified in the candidate's disclosure of the allocation. T.C.A. § 2-10-114(a)(2).
- c.) The funds may be distributed to the executive committee of the candidate's political party. T.C.A. § 2-10-114(a)(3).
- d.) The monies may be deposited by the candidate in the volunteer public education trust fund. T.C.A. § 2-10-114(a)(4).
- e.) The funds may be distributed to any organization as described in 26 U.S.C. 170(c). (Examples - church, schools, school booster clubs, veterans' organizations.) T.C.A. § 2-10-114(a)(5).
- f.) The monies may be distributed to any organization which has received a determination of exemption from federal income taxation pursuant to subsection (3) or (4) of 26 U.S.C. 501(c), if such organization is currently operating under such exemption. (Section 501(c)(3) includes any non-profit organization that operates exclusively for religious, charitable, scientific, public safety testing, literacy, or educational purposes, or to foster national or amateur sport competition, or for the prevention of cruelty to children or animals. Section 501(c)(4) covers any non-profit civic organization operated exclusively for the promotion of social welfare and also includes certain local employee associations when the associations' net earnings are devoted to charitable, educational, or recreational purposes.) T.C.A. § 2-10-114(a)(6).
- g.) The funds may be used to defray any ordinary and necessary expenses incurred in connection with the office of the officeholder. Such expenses may include, but are not limited to the cost of advertisement, membership fees, and donations to community causes. T.C.A. § 2-10-114(a)(7).
- h.) The funds may be distributed to any institution of public or private education in the state for the purpose of supplementing the funds of an existing scholarship trust or program. Please remember that state law requires that the organization to which you are making a contribution must have an up-to-date exemption from the Internal Revenue Service, in order for your contribution to be proper under this provision. T.C.A. § 2-10-114(a)(8).

PROHIBITED USES. The following expenditures from campaign funds are specifically prohibited:

- a.) Any residential or household items, supplies, or expenditures, including mortgage, rent or utility payments for any part of any personal residence of a candidate or officeholder or a member of the candidate's or officeholder's family. T.C.A. § 2-10-114(b)(2)(A).
- b.) Mortgage, rent, or utility payments for any part of any nonresidential property that is owned by a candidate or officeholder or a member of a candidate's or officeholder's family and used for campaign purposes, to the extent the payments exceed the fair market value of the property usage. T.C.A. § 2-10-114(b)(2)(B).
- c.) Funeral, cremation, or burial expenses related to deaths within a candidate's or officeholder's family. T.C.A. § 2-10-114(b)(2)(C) .
- d.) Clothing, other than items of de minimis value that are used in the campaign. T.C.A. § 2-10-114(b)(2)(D).
- e.) Tuition payments within a candidate's or officeholder's family other than those associated with training campaign staff or associated with an officeholder's duties. T.C.A. § 2-10-114(b)(2)(E).
- f.) Dues, fees, or gratuities at a county club, health club, or recreational facility, unless they are part of a specific fundraising event that takes place on the organization's premises. T.C.A. § 2-10-114(b)(2)(F).

- g.) Salary payments to a member of a candidate's family, unless the family member provides bona fide services to the campaign, any salary payment in excess of the fair market value of the services provided is a prohibited use. T.C.A. § 2-10-114(b)(2)(G).
- h.) Admission to a sporting event, concert, theater, activity, charitable event, or other form of entertainment, unless the event is an expense associated with a legitimate campaign or officeholder activity where the tickets to such event are provided to students attending schools, guests or constituents of the candidate or officeholder, or persons involved in the candidate's or officeholder's campaign. T.C.A. § 2-10-114(b)(2)(H).
- i.) Payments for grooming or enhancing one's personal appearance unrelated to campaign activities. T.C.A. § 2-10-114(b)(2)(I).
- j.) Payment of any fines, fees, penalties assessed pursuant to Title 2 Chapter 10 (Campaign Finance Statute) or Chapter 3 Title 6 (Lobbying Statute). T.C.A. § 2-10-114(b)(2)(J).

23. When must a report be filed if the due date falls on a weekend or holiday?

Whenever a due date for a campaign financial disclosure statement falls on a weekend day or holiday, such report is due to be filed with the Registry of Election Finance or the county election commission, whichever is required, on the next business day. Rule 0530-1-1-.05(5).

“Filed” means the date that the Registry or county election commission actually receives the candidate or committee’s disclosure statement or the date of the postmark if the statement is mailed by certified or registered mail. T.C.A. § 2-10-102(7).

24. How does a candidate close out a campaign filing account?

A campaign account may be closed out at any time when the candidate or committee has filed a campaign financial disclosure statement that shows no unexpended balance, no continuing debts or obligations, and no expenditure deficit. No additional reports are required after a campaign account is properly closed. T.C.A. § 2-10-107(b). Candidates are encouraged to close out their campaign accounts as soon as possible following the election. However, candidates are required to continue filing campaign financial disclosure reports until their filing accounts are properly closed, regardless of whether they were successful in the election or whether there was any activity. Therefore, failure to properly close out a campaign account may lead to a failure to properly file campaign financial disclosure reports, or other violations of law, and may result in the assessment of civil penalties.

Banking Statements. Effective January 1, 2024, for any candidate with an open campaign account who has not filed a new appointment of political treasurer form for a future election, in addition to filing campaign finance disclosure reports the candidate must also file a complete copy of the candidate's campaign account banking statements corresponding to the full term of the reporting period with the registry or local election commission, as applicable. The candidate must continue to file these banking statements for each required reporting period until such time as the candidate properly closes out the campaign account, or until such time as the candidate transfers such funds, loans, or obligations to another campaign fund for a subsequent election, whichever occurs earlier. A failure to file the required banking statements is a Class 2 offense as defined by § 2-10-110(a)(2).

25. What recordkeeping procedures are required by candidates?

A candidate must adopt a recordkeeping system that will allow the candidate file accurate campaign financial disclosure statements disclosing all required information. It is the candidate’s burden and responsibility to provide

information to the Registry and/or local election commission which demonstrates that all contributions and expenditures are allowable. T.C.A. § 2-10-110.

Campaign funds are not the personal property of a candidate or other individual. T.C.A. § 2-10-106(b)(2) (2023).

All campaign funds must be kept at all times in a separate and segregated bank account from other funds, including personal funds and funds attributable to the activities of a candidate controlled political campaign committee (often referred to as a “Leadership PAC”). T.C.A. § 2-10-106(b)(1) (2023). All campaign funds must be deposited into this account and all expenditures of campaign funds must be expended from this account. Furthermore, candidates are required to segregate all credit transactions incurred on behalf of their campaign account from all other credit transactions, including personal transactions and transaction attributable to the activities of a Leadership PAC. If a candidate wishes to conduct campaign activity using a credit card, the candidate must either obtain a credit card in the name of the campaign or designate a particular personal credit card for campaign activity (and ensure that there is no other activity occurring on this card). Commingling of campaign funds or credit transactions with personal or other funds or credit transactions is a Class 2 offense punishable by civil penalties. T.C.A. § 2-10-106(b)(3).

If a person is a candidate for more than one public office, the candidate must maintain separate campaign bank accounts for each office sought. Rule 0530-1-3-.02(3)(a).

All campaign funds must be deposited into and maintained in a financial institution insured by the federal deposit insurance corporation (FDIC) or the national credit union administration duly authorized to do business in Tennessee and operating under the authority of the department of financial institutions, the United States Comptroller of the currency, or the federal reserve board. T.C.A. § 2-10-131(a). **Any interest, dividends, or income earned on campaign funds must be reported on the PAC’s campaign financial disclosure reports.** T.C.A. § 2-10-131(b). Any campaign contribution received in a non-monetary form may be held in the form received until the contribution is used to pay expenditures. The funds must be deposited in accordance with the requirements above at the time of conversion. T.C.A. § 2-10-131(c).

Additionally, candidates must maintain copies of all checks, money orders, wire or account transfer statements, withdrawal statements, credit or debit statements, bank statements, vendor receipts, and other documentation directly resulting from a financial transaction involving the receipt or disbursement of any funds subject to disclosure for two (2) years after the date of the election to which the records refer. T.C.A. § 2-10-212(c) (2022). When feasible, a candidate should make copies of campaign contribution checks. Rule 0530-1-1-.02(5) and Rule 0530-1-1-.02(6).

Campaign bank account reconciliations must be performed by the candidate to ensure that the bank account balances with the financial disclosure reports filed by the candidate. Rule 0530-1-1-.02(8).

The Registry will conduct random audits on state candidates. The Registry will audit 4% of legislative candidates, one supreme court candidate, one court of appeals candidate and one court of criminal appeals candidate, and any gubernatorial candidate receiving 10% of the vote in the general election. Candidates will be selected in a random draw. The random draw for legislative candidates will be by district. Audits will not take place until after the election year is completed. T.C.A. § 2-10-212.

In addition, any state candidate that files a report with more than 30% of their contributions reported as unitemized will automatically be subject to an audit of their contributions. T.C.A. § 2-10-212.

26. How long must campaign records be maintained?

All financial records used by a candidate to prepare a campaign financial disclosure statement must be retained for at least two (2) years after the date of election to which the records refer. T.C.A. § 2-10-105(f); § 2-10-212(c) (2022).

If investigative procedures or an administrative hearing have been initiated against a candidate, financial records relating to a campaign account must be maintained by the candidate until the investigation or administrative hearing has been completed. Rule 0530-1-1-.02(7).

The Registry of Election Finance and each county election commission shall maintain all reports filed with their respective offices for five (5) years. These records will be available for public inspection and copying. T.C.A. § 2-10-206(a)(8).

27. How does an individual inspect or obtain a copy of a campaign financial disclosure statement?

2004 Elections Forward. Campaign financial disclosure reports filed by state candidates and political campaign committees (PACs) active in a state election are available online. Go to <https://apps.tn.gov/tncamp> and click on the "Search Database" tab to find PAC and Candidate reports. Copies of campaign financial disclosure statements filed by local candidates may be obtained at the local county election commission. You will need to check with the local county election commission in order to determine their fees.

Prior to 2004 Elections. In order to inspect or obtain copies of campaign financial disclosure statements filed by state candidates and PACs prior to 2004, you may come to the Registry's office to inspect records (an appointment is recommended, but not required) or you may request copies mail or email, if available. Copies of campaign financial disclosure statements filed by local candidates may be obtained at the local county election commission. You will need to check with the local county election commission in order to determine their fees.

28. What happens if a candidate does not file the required reports on time or violates other provisions of the law?

The Registry of Election Finance has the authority to impose civil penalties against a candidate for failing to file a statement on time and ignoring subsequent warnings about the required report. The Registry also has the authority to impose civil penalties for other violations. T.C.A. § 2-10-207(6) and T.C.A. § 2-10-207(7).

CLASS ONE (1) OFFENSES. The Registry may impose class one (1) civil penalties of twenty-five dollars (\$25) a day up to a maximum of seven hundred fifty dollars (\$750) for the late filing of any campaign financial disclosure report required to be filed either with the Registry or the county election commission. The law sets specific procedures that must be followed whenever the Registry or a county election commission discovers that a required report has not been filed. T.C.A. § 2-10-110(a)(1).

The Registry staff or the county election commission, whichever office should have received a required campaign financial disclosure statement, must notify the candidate by personal service or by return receipt requested mail that the report has not been received and that civil penalties of twenty-five dollars (\$25) a day will begin to accrue five (5) days after receipt of the notice until the report is filed or for thirty (30) days, whichever occurs first. T.C.A. § 2-10-110(a)(1)(A) and T.C.A. § 2-10-110(a)(1)(B).

A candidate that files the required report within that five-day grace period will not be subject to civil penalties.

It is the candidate's responsibility to ensure that contact information on file with the Registry and/or the local election commission is up to date and that the candidate is regularly checking/accepting mail. **Note:** Effective January 1, 2024, the Registry of Election Finance will transition to communicating with all filers primarily through email and, alternatively, through regular mail. (Public Chapter 38, 2023) Therefore, you should ensure that your email address and mailing address is up to date at all times and that you are checking these inboxes regularly.

CLASS TWO (2) OFFENSES. The Registry also has the authority to impose civil penalties of up to ten thousand dollars (\$10,000) or fifteen percent (15%) of the amount in controversy, whichever is greater, for a class two (2) offense involving both state and local elections. A class two offense is the failure to file a report within thirty-five (35) days of service of notice of a delinquent report or any other violation of the Campaign Financial Disclosure Act. T.C.A. § 2-10-110(a)(2).

The law requires the Registry staff to send an assessment letter to the candidate before any class two (2) civil penalties are imposed by the Registry, advising the candidate of the factual basis of the violation, the maximum penalty possible, and the date that a response must be filed. T.C.A. § 2-10-110(a)(2).

VIOLATIONS OF THE CAMPAIGN CONTRIBUTIONS LIMITS ACT OF 1995. The Registry is empowered to impose a maximum civil penalty of not more than ten thousand dollars (\$10,000) or one hundred fifteen percent (115%) of the amount of all contributions made or accepted in excess of the limitations of the Act, whichever is greater. T.C.A. § 2-10-308(a).

A campaign contribution made or accepted in excess of the limitations of this Act shall not be a violation if the candidate refunds or returns the contribution to the person or committee making the contribution within sixty (60) days of its receipt. T.C.A. § 2-10-307(b).

CONTESTED PENALTIES. To request reconsideration of any penalty imposed by the Registry, a candidate may file a request for reconsideration with the Registry within ten (10) days after the date that an assessment order is issued to request that the Registry reconsider its assessment. Any such request should explain, with particularity, why the civil penalty should be reduced and/or waived. Such a request must be submitted in writing, either by U.S. Mail, electronic mail, facsimile, and/or hand delivery.

To appeal any penalty imposed by the Registry, a candidate must file a written petition with the Registry within thirty (30) days after the date that the order is issued to request a contested case hearing before an Administrative Law Judge pursuant to the Uniform Administrative Procedures Act (UAPA). T.C.A. § 4-5-101 et. seq. Pursuant to the Campaign Financial Disclosure Law, T.C.A. § 2-10-101, et seq., in any administrative appeal, it is the Petitioner's burden and responsibility to provide information to the Court which demonstrates that the civil penalty assessed by the Registry was improper and/or should be set aside.

An assessment order issued by the Registry becomes final and cannot be appealed thirty (30) days after it has been issued. T.C.A. § 2-10-308(c), T.C.A. § 2-10-308(d), Rule 0530-1-1-.12(3) and Rule 0530-1-1-.12(4).

29. If a candidate fails to file a disclosure statement, may that individual qualify as a candidate in future state or local elections?

No. A candidate in a state or local election who fails to file a required disclosure statement is ineligible to qualify as a candidate in any future state or local elections until the report is properly filed with the Registry and/or the local county election commission. T.C.A. § 2-10-110(d).

30. What happens if a candidate fails to pay an assessed civil penalty after an assessment order becomes final?

If a candidate does not pay assessed civil penalties within thirty (30) days of an assessment order becoming final or by the qualifying deadline for election, whichever is earlier, the candidate shall be ineligible to qualify as a candidate in any upcoming elections until the assessed penalties and related costs are paid. T.C.A. § 2-10-110(c)(2).

31. How does the Registry of Election Finance begin an investigation?

ON ITS OWN INITIATIVE. The Registry of Election Finance may, on its own initiative, conduct an investigation whenever it believes that a violation of the Campaign Financial Disclosure Act may have occurred. If the Registry investigates the records of any selected candidate, it may also investigate the records of all other candidates running for the same office in the same district or other appropriate geographic area. The Registry has the authority to hold hearings, subpoena witnesses, administer oaths, and compel the production of books, correspondence, papers, and other records. T.C.A. § 2-10-206(a)(7) and T.C.A. § 2-10-213(a)(2).

UPON SWORN COMPLAINTS. An investigation also may be based on a sworn complaint. A registered voter of Tennessee may file a sworn complaint alleging that a statement filed regarding an election for which that voter was registered to vote does not conform to the law, that a statement filed is not accurate, or that a person has failed to file a statement required by law.

All sworn complaints on a statement of a candidate for state public office must be filed with the Registry of Election Finance. All sworn complaints on a statement of a candidate for local public office must be filed in the office of the district attorney general who represents the judicial district in which the voter resides. T.C.A. § 2-10-108 (2022). Effective July 1, 2023, all sworn complaints on a statement of a political campaign committee must be filed with the Registry of Election Finance. (Public Chapter 59, 2023)

32. What guidelines will the Registry of Election Finance provide to candidates regarding the Campaign Financial Disclosure Law?

The Registry of Election Finance may issue written advisory opinions when questions arise about the Campaign Financial Disclosure Act and its requirements. Anyone wishing to receive guidance on his or her own campaign finance activities should contact the Registry prior to undertaking the questioned activity. The Registry will issue written advisory opinions to individuals based on written requests describing specific facts and circumstances. The Registry will issue opinions only as to prospective activities. A candidate or PAC may rely upon an advisory opinion without threat of sanction with respect to the particular issues addressed if the candidate or PAC their conduct to the requirements of the advisory opinion. T.C.A. § 2-10-207(3).

33. Can a foreign national make a contribution to a political campaign?

No. Federal law prohibits contributions, donations, expenditures (including independent expenditures) and disbursements solicited, directed, received, or made directly or indirectly by or from foreign nationals in connection with any federal, state, or local election. In addition, foreign nationals are prohibited from participating in decisions involving election-related activities.

It is a violation of federal law to knowingly accept such donations from a foreign national.

An individual who is not a citizen of the United States is eligible to make a contribution if he or she has a “green card” indicating that he or she is lawfully admitted for permanent residence in the United States. This exception does not extend to individuals holding a temporary or student visa. - (e) Nothing in this part shall be construed as prohibiting the largest municipality located within any county having a population of not less than three hundred thirty-five thousand (335,000) nor more than three hundred thirty-six thousand (336,000), according to the 1990 federal census or any subsequent federal census, from enacting, by ordinance or charter amendment, more stringent financial disclosures of candidates for municipal local public office than those requirements imposed by this part. (a) Each candidate for state public office and political campaign committee in a state election shall file with the registry of election finance a statement of all contributions received and all expenditures made by or on behalf of such candidate or such committee. The statement of each candidate for state public office shall include the date of the receipt of each contribution, and the statement of a political campaign committee in a state election shall include the date of each expenditure that is a contribution to a candidate in any election. The statement of expenditures by a political campaign committee must consist of all amounts paid by the political campaign committee from received contributions.

(b)(1) Each candidate for local public office shall file with each county election commission of the county where the election is held a statement of all contributions received and all expenditures made by or on behalf of such candidate. The statement of each candidate for local public office shall include the date of the receipt of each contribution..

(2) Each political campaign committee for a local election or candidate shall file with the registry of election finance a statement of all contributions received and all expenditures made by or on behalf of the committee. The statement of each committee must be filed in the same manner and include the same information as a statement filed under subsection (a).

(c)(1) The statements required by subsections (a) and (b) of each candidate, each single candidate political campaign committee, single measure political campaign or multicandidate political campaign committee shall be filed quarterly during an election year, within ten (10) days following the conclusion of the quarterly reports ending March 31, June 30, September 30 and January 15. Such candidate and political campaign committees shall also be required to file a pre-primary statement and pre-general election statement. The pre-primary statement shall cover the period from the last day included in the July quarterly statement through the tenth day before the primary election. Such pre-primary statement is due seven (7) days before the primary election. The pre-general election statement shall cover the period from the last day included in the October quarterly statement through the tenth day before the general election. Such pre-general election statement is due seven (7) days before the general election.

(2) Statements for any runoff election, from the last day included in any prior report through the tenth day before any such election shall be filed not later than seven (7) days before the election.

(3) Any candidate or political campaign committee filing a statement pursuant to subsection (e) before January 16 of the year in which the candidate or committee expects to be involved in an election shall file reports with the registry of election finance or the county election commission, whichever is required by subsections (a) and (b), by January 31 and July 15 immediately succeeding the filing, and semi-annually thereafter until the year of the election. If January 31 or July 15 falls on a Saturday, a Sunday, or a legal holiday, § 1-3-102 shall apply. The ending date of the January 31 reporting period is January 15. The ending date of the July 15 reporting period is June 30. A semiannual report is not required to be made if the reporting date is within sixty (60) days of a report otherwise required by this part.

(4) Each statement required by subsections (a) and (b) shall include transactions occurring since the preceding statement.

(d) Each multicandidate political campaign committee shall file reports according to subsection (c)(1). Each report shall include transactions occurring since the preceding report. Such reports shall be made available on the Internet as soon as practicable once such multicandidate political campaign committee has filed such information and the registry has reviewed such statements for accuracy and timeliness. If a multicandidate political campaign committee has not timely filed a quarterly report, then the registry shall post on the Internet that the multicandidate political campaign committee is delinquent.

(e)(1) Each candidate and each political campaign committee shall certify the name and address of the candidate's or committee's political treasurer to the registry of election finance or the county election commission, where appropriate, before the candidate or committee may receive a contribution or make an expenditure in a state or local election. A state public officeholder shall also certify the name and address of such officeholder's political treasurer to the registry of election finance before the officeholder or the officeholder's political committee may accept a contribution to defray the expenses incurred in connection with the performance of the officeholder's duties or responsibilities, and a local officeholder shall so certify the name and address of such officeholder's treasurer to the appropriate county election commission. A candidate may serve as that candidate's own political treasurer. A multicandidate political campaign committee is required to have at least one (1) officer, not including the treasurer of such committee.

Once an investigation is closed by the registry of election finance, records may be destroyed upon a petition for approval to the registry of election finance.

(g) Separate reporting shall be required for both primary elections and general elections. Cumulative reporting for both primary and general elections for the same office in the same year is expressly prohibited. An appointment of a political treasurer pursuant to subsection (e) may be cumulative, and one (1) such appointment shall be sufficient for both a primary and general election for the same office in the same year. A successful primary candidate shall not be required to certify a political treasurer for the general election, if the candidate had previously certified such political treasurer prior to the primary election.

(h)(1) During the period beginning at twelve o'clock (12:00) midnight of the tenth day prior to a primary, general, runoff or special election or a referendum and extending through twelve o'clock (12:00) midnight of such election or referendum day, each candidate or political campaign committee shall, by telegram, facsimile machine, hand delivery or overnight mail delivery, file a report with the registry of election finance or the county election commission, whichever is required by subsections (a) and (b), of:

(A) The full name and address of each person from whom the candidate or committee has received and accepted a contribution, loan or transfer of funds during such period and the date of the receipt of each contribution in excess of the following amounts: a committee participating in the election of a candidate for any state public office, five thousand dollars (\$5,000); or, a committee participating in the election of a candidate for any local public office, two thousand five hundred dollars (\$2,500). If the committee is participating in the election of candidates for offices with different reporting amounts, the amount shall be the lowest for any candidate in whose election the committee is participating or in which any committee is participating to which it makes or from which it receives a transfer of funds; and

(B) Such report shall include the amount and date of each such contribution or loan reported, and a brief description and valuation of each in-kind contribution. If a loan is reported, the report shall contain the name and address of the lender, of the recipient of the proceeds of the loan, and of any person who makes any type of security agreement binding such person or such person's property, directly or indirectly, for the repayment of all or any part of the loan.

(2) Each report required by subdivision (h)(1) shall be filed by the end of the next business day following the day on which the contribution to be reported is received.

(3) The registry shall develop appropriate forms for the report required by subdivision (h)(1) and make such forms available to the candidates and the county election commissions.

(i) Any state or local political party or caucus of such political party established by members of either house of the general assembly that controls or operates one (1) or more political campaign committees shall report all receipts and disbursements by the party in the same manner and at the same time that it reports contributions and expenditures by the party's political campaign committee.

(j) Reports filed under this section shall not be cumulative, except as provided in subsection (g) regarding appointment of a political treasurer. Each report shall reflect the total for its own reporting period.

(k) "Date of the receipt", as used in this section, means the date when the contribution was received by the candidate, candidate's committee, or treasurer.

2-10-106. Supplemental statements; segregated accounts. (Effective April 4, 2023)

(a) If the final statement of a candidate shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit, the campaign treasurer shall file with the registry of election finance or the county election commission, whichever is required by § 2-10-105(a) and (b), a supplemental semiannual statement of contributions and expenditures. Beginning after filing the first quarterly report due after an election, subsequent supplemental statements shall be filed on a semiannual basis by candidates until the account shows no unexpended balance, continuing debts and obligations, expenditures, or deficit. A candidate may close out a campaign account by transferring any remaining funds to any campaign fund, subject to the requirements of this part and commence semiannual filing as provided by this part.

(b)(1) A candidate who complies with § 2-10-105(a) and (b), as applicable, and § 2-10-131(a), shall ensure that:

(A) All funds in a campaign account remain separate and segregated at all times from other funds, including from personal funds and the funds of a political campaign committee controlled, either directly or constructively, by the candidate; and

(B) All credit transactions incurred on behalf of the candidate's campaign activities or officeholder activities are separate and segregated at all times from other credit transactions incurred on behalf of the candidate personally; the candidate's business, if any; the candidate's non-campaign or non-officeholder related activity; or the activity of a political campaign committee controlled, either directly or constructively, by the candidate.

(2) Funds maintained in a separate, segregated campaign account in accordance with subdivision (b)(1) are not the personal property of a candidate or other individual. Such funds are not subject to garnishment or any type of execution to satisfy the debts or obligations of an individual that are not campaign debts or obligations.

(3) A candidate found to be in violation of subdivision (b)(1) commits a Class 2 offense.

2-10-107. Statements; closing account; in-kind contributions; reimbursement.

(a) A statement filed under § 2-10-105 or § 2-10-106 shall consist of either:

(1) A statement that neither the contributions received nor the expenditures made during the period for which the statement is submitted exceeded one thousand dollars (\$1,000). Any statement filed pursuant to § 2-10-106 shall indicate whether an unexpended balance of contributions, continuing debts and obligations or an expenditure deficit exists; or

(2)(A)(i) A statement setting forth, under contributions, a list of all the contributions received, including the full name, complete address, occupation, and employer of each person who contributed a total amount of more than one hundred dollars (\$100) during the period for which the statement is submitted, and the amount contributed by that person;

(ii) When a candidate or the treasurer of a political campaign committee shows that best efforts have been used to obtain, maintain and submit the complete address, occupation, and employer required for contributors, the statement shall be considered in compliance with this subdivision (a)(2)(A). “Best efforts” includes notifying the contributor by first class mail that further information concerning such contributor is required under state law, or by including on a written solicitation for contributions a clear request for the contributor's name, address, occupation and employer and by accurately stating that such information is required under state law for all persons contributing more than one hundred dollars (\$100). Further definitions and guidelines, if any, for what is also considered “best efforts” shall be set by rule promulgated pursuant to § 4-55-103(1);

(iii) The statement of each candidate shall include the date of the receipt of each contribution and the statement of a political campaign committee shall include the date of each expenditure that is a contribution to a candidate. “Date of the receipt”, as used in this subdivision (a)(2)(A)(iii), means the date when the contribution was received by the candidate, candidate's committee, or treasurer. The statement shall list as a single item the total amount of contributions of one hundred dollars (\$100) or less; and

(B) A statement setting forth, under expenditures, a list of all expenditures made, including the full name and address of each person to whom a total amount of more than one hundred dollars (\$100) was paid during the period for which the statement is submitted, the total amount paid to that person, and the purpose of the payment which shall clearly identify that it is an allowable expenditure under § 2-10-114. The words “reimbursement”, “credit card purchase”, “other” and “campaign expense” shall not be considered acceptable descriptions for “purpose”. Any purchase made with a credit card shall also be disclosed as a payment to the vendor providing the item or service. Credit card payments to separate vendors shall be disclosed as separate expenditures. The statement shall list the total amount of expenditures of one hundred dollars (\$100) or less each, by category, without showing the exact amount of or vouching for each such expenditure.

(b) When any candidate or political campaign committee desires to close out a campaign account, it may file a statement to such effect at any time; provided, that the statement shall on its face show no unexpended balance, continuing debts or obligations or deficit.

(c)(1) When filing a statement under § 2-10-105 or § 2-10-106, a contribution, as defined in § 2-10-102, for which no monetary consideration is paid or promised, referred to as an in-kind contribution in this part, shall be listed separately in the disclosure statement and excluded from the lists of contributions and expenditures. The in-kind contribution list shall include:

(A) In-kind contributions of a value of one hundred dollars (\$100) or less may be listed as a single item; and

(B)(i) In-kind contributions of a value of more than one hundred dollars (\$100) during the period for which the statement is submitted, and for each such contribution, the category of the contribution, the name, address, occupation and employer of each person who contributed it.

(ii) When a candidate or the treasurer of a political campaign committee shows that best efforts have been used to obtain, maintain and submit the complete address, occupation, and employer required for contributors, the statement shall be considered in compliance with this subdivision (c)(1)(B). "Best efforts" includes notifying the contributor by first class mail that further information concerning such contributor is required under state law, or by including on a written solicitation for contributions a clear request for the contributor's name, address, occupation and employer and by accurately stating such information is required under state law for all persons contributing more than one hundred dollars (\$100). Further definitions and guidelines, if any, for what is also considered "best efforts" shall be set by rule promulgated pursuant to § 4-55-103(1).

(iii) The statement of each candidate shall include the date of the receipt of each in-kind contribution and the statement of a political campaign committee shall include the date of each expenditure that is an in-kind contribution to a candidate.

(2) Within ninety (90) days of February 15, 2006, by rule promulgated in accordance with the Uniform Administrative Procedures Act, compiled in title 4, chapter 5, the registry of election finance shall enumerate a nonexclusive listing of examples of the various categories of contributions that constitute "in-kind contributions" requiring disclosure. Upon promulgating such rule, the registry shall provide a copy of such rule to each member of the general assembly and each qualified candidate for state office. Any changes or revisions to the rules shall be promulgated pursuant to § 4-55-103(1).

(d) An in-kind contribution is deemed to be made and shall be reportable in the period when such contribution is made or performed and not when the cost is billed or paid. The actual cost of the in-kind contribution, if known, shall be reported in the period such contribution is made or performed. If the actual cost of the in-kind contribution is not known, an estimate of the cost shall be reported in the period such contribution is made or performed, and the report shall indicate that the amount reported is estimated. If the actual cost, as indicated on the bill, is different from the amount reported, such amount shall be amended or adjusted on a later report covering the period in which payment is made.

(e) A statement filed under § 2-10-105 or § 2-10-106 shall also list any unexpended balance, any deficit and any continuing financial obligations of the candidate, campaign or committee.

(f) Payments to a person as reimbursement for expenditures made by the person on behalf of the candidate or committee shall be disclosed as payments to the vendor who provided the item or service to the candidate or committee, not the person who is reimbursed.

2-10-108. Complaints. (Effective July 1, 2023)

(a) A registered voter of Tennessee may file a sworn complaint alleging that a statement filed regarding an election for which that voter was qualified to vote does not conform to law or to the truth or that a person has failed to file a statement required by law.

(b)(1) All sworn complaints on a report of a candidate for state public office, a political campaign committee contributing to a candidate for state public office, or a political campaign committee registered with the registry of election finance must be filed in the office of the registry of election finance. The registry shall conduct a preliminary review to determine if the complaint is factually and legally sufficient. If the complaint is not factually and legally sufficient, then the registry shall dismiss the complaint and notify the complainant. If the registry determines the complaint is factually and legally sufficient, then the registry may refer the complaint to the office of the attorney general and reporter, who shall conduct a preliminary investigation and report the findings of the investigation in writing to the registry. Alternatively, if the registry determines that the complaint is factually and legally sufficient and that the circumstances are appropriate, then the registry may order the registry's staff to conduct an investigative audit of the alleged violator's campaign finance disclosure reports. In such instances, the alleged violator is obligated to produce all documentation required to be maintained by § 2-10-105(f) and to comply in good faith and with total candor with all requests for documentation or clarification properly requested by the registry's auditor or counsel.

(2) Once either the attorney general's investigation or the audit is complete, the registry shall set the complaint for a show cause hearing to determine if the registry should take action regarding the complaint, including, but not limited to, assessing civil penalties pursuant to § 2-10-110. Both the alleged violator and the complainant are entitled, upon request, to present evidence before the registry at or prior to the show cause hearing. The registry must have notice that evidence will be presented to the registry personally served upon, sent by return receipt requested mail, or sent by electronic mail to the alleged violator and the complainant.

(3) The registry may determine the appropriate procedure for the presentation of evidence. After the conclusion of the show cause hearing, the registry shall reduce its decision to writing and provide a written statement of the registry's decision to all parties.

(2) The registry may, upon review of an investigative report received from a district attorney general under subdivision (b)(1)(B), dismiss the complaint if the complaint is not factually and legally sufficient. The registry shall notify the complainant of the dismissal. If the registry determines the complaint is factually and legally sufficient, then the registry may set the complaint for a show cause hearing to determine if the registry should take action regarding the complaint, including, but not limited to, assessing civil penalties pursuant to § 2-10-110.

(3) Both the alleged violator and the complainant may, upon request, present evidence before the registry at or prior to the show cause hearing. The registry shall notify the alleged violator and the complainant that evidence will be presented to the registry if requested. The registry may determine the appropriate procedure for presenting evidence. The administrator shall forward a copy of such notice to the registry of election finance. For state public offices, the registry of election finance shall have personally served upon, or send by return receipt requested mail, an assessment letter to any candidate or committee upon the registry or its appropriate staff discovering that a due report has not been filed. A civil penalty of twenty-five dollars (\$25.00) per day shall begin to accrue five (5) days after personal service or receipt of the letter and shall continue to accrue until the report is filed or for thirty (30) days, whichever occurs first; provided, that no civil penalty shall be imposed by the registry of election finance if a candidate fails to list a contribution on a filed report but corrects the omission to the registry's satisfaction within ten (10) business days from the date on which the candidate is served process by, or receives notice from, the registry. This ten-day period shall not serve to stay the running of any time period or reduce any penalty established by this section. A candidate shall only be allowed to correct up to two (2) omissions in one (1) calendar year and the total of the omissions shall not exceed two thousand dollars (\$2,000). Any omission corrected by the candidate prior to the registry's discovery of the omission shall not count against the limitation on correction of omissions.

(B) For any Class 1 offense, the registry of election finance, through its appropriate staff, shall send an assessment letter to a candidate or committee in a form sufficient to advise the candidate or committee of the factual basis of the violation, the maximum penalty and the date a response to the letter must be filed. If a disclosure report is returned to a candidate or committee for correction, a copy of the original shall be retained on file until the corrected report is returned to the registry of election finance. If the original filing was in compliance with the intent of the law and minor errors are corrected within the date set for a response, no penalty shall be assessed.

(C) To request a waiver, reduction, or to in any way contest a Class 1 penalty imposed by the registry of election finance, a candidate for a state or local public office shall file a petition with the registry of election finance. Such petition may be considered as a contested case proceeding under the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.

(A) For state and local public offices, the registry of election finance may impose a civil penalty for any Class 2 offense; provided, that no penalty shall be imposed by the registry of election finance if a candidate fails to list a contribution on a filed report but corrects the omission to the registry's satisfaction within ten (10) business days from the date on which the candidate is served process by, or receives notice from, the registry. This ten-day period shall not serve to stay the running of any time period established by this section. A candidate shall only be allowed to correct up to two (2) omissions in one (1) calendar year and the total of the omissions shall not exceed two thousand dollars (\$2,000). Any omission corrected by the candidate prior to the registry's discovery of the omission shall not count against the limitation on correction of omissions.

(B) To request a waiver, reduction, or to in any way contest a Class 2 penalty imposed by the registry of election finance, a candidate for a state or local public office shall file a petition with the registry of election finance. Such petition may be considered as a contested case proceeding under the Uniform Administrative Procedures Act. In a contested case proceeding, the candidate or political campaign committee bears the burden of proof to establish that the candidate or committee's conduct, or submitted reports, complied with this part.

(C) “Amount in controversy” means, as appropriate to the case, the greater of the total expenditures or total contributions, either of which or both of which are shown on a late report subsequently filed, or the amount of an expenditure or contribution that was not reported or was incorrectly reported.

(b) Penalties imposed under this part shall be deposited into the state general fund.

(c)(1) The registry of election finance shall maintain a register of all civil penalties imposed under this part and remaining unpaid.

(2) If a civil penalty lawfully assessed and any lawfully assessed cost attendant to the penalty are not paid within thirty (30) days after the assessment becomes final, or by the qualifying deadline for election, whichever is earlier, the candidate owing such civil penalty shall be ineligible to qualify for election to any state or local public office until such penalty and costs are paid.

(3) If a civil penalty authorized by this section is imposed, it shall be considered as a personal judgment against the candidate.

(d) A candidate for state or local public office who fails to file any statement or report required by this part shall be ineligible to qualify for election to any state or local public office until such statement or report is filed with either the registry or the appropriate county election commission, or both.

(e) It is the intent of the general assembly that the sanctions provided in this section shall be the civil penalties enacted into law by Acts 1989, ch. 585.

(f)(1) For any civil penalty levied by the registry against a multicandidate political campaign committee under this section or § 2-10-308, the treasurer of the committee is personally liable for the penalty.

(a) Each county election commission shall notify the state election commission and the registry of election finance of each local election held in that county at the same time that public notice is posted for the election.

(b) Each time that a statement for a candidate for local public office or political campaign committee for a local election is due to be filed with the county election commission under § 2-10-105, the county election commission shall file with the registry of election finance a report certifying that all candidates have filed the report timely or a list of all candidates who have failed to report timely. For each local candidate who is reported to the registry of election finance as filing late, the county election commission shall be required to file, on a form prescribed by the registry, information pertaining to the late filing. The registry shall determine by rule what information from the county election commission shall be necessary. Any changes or revisions to the rules shall be promulgated pursuant to § 4-55-103(1).

Notwithstanding any other law to the contrary, any candidate who has a previous campaign account with an outstanding balance and who chooses to apply contributions to that previous campaign account, shall not exceed the campaign contribution limits in part 3 of this chapter, for the election cycle during which the candidate accepts the contribution, regardless of whether such candidate applies the amount to the previous campaign account or to the current campaign account. Under no circumstances shall the candidate exceed the contribution limits for the election cycle to which the previous campaign account with an outstanding balance applies.

2-10-113. Contributions; digital currency

The disbursement of campaign funds for a candidate's own personal use is not permitted. For the purpose of this section, "personal use" means any use by which the candidate for public office or elected public official would be required to treat the amount of the expenditure as gross income under 26 U.S.C. § 61, or any subsequent corresponding Internal Revenue Code section.

(2) Unless otherwise provided by law, any member of the registry who violates the oath of office for that position or participates in any of the activities prohibited by this chapter commits a Class A misdemeanor. - (1) Hold hearings, conduct audits, subpoena witnesses, administer oaths, and compel production of books, correspondence, papers and other records;
- (2) Issue written advisory opinions concerning compliance with this chapter, which may be relied upon without threat of sanction with respect to the issue addressed by the opinion, if the candidate or committee conforms the candidate's or committee's conduct to the requirements of the advisory opinion. Such advisory opinions shall be posted on the web site of the registry of election finance;

- (a) The registry has the authority to petition the chancery court through the attorney general and reporter for enforcement of any order it has issued. The court's order of enforcement has the same force and effect as a civil judgment.
- (b) Notwithstanding any law to the contrary, the registry may, in lieu of filing the petition through the attorney general and reporter, retain private outside counsel to pursue the collection of unpaid civil penalties assessed by order of the registry. The venue for such a suit is the county in which the defendant resides.

2-10-210. Penalties or sanctions.

The registry of election finance shall not establish or levy any penalty or sanction for any action alleged to be a violation of the rules and regulations of the registry unless such action is also a violation of a statutory requirement.

2-10-211. Electronic filing.

- (a) The registry of election finance, notwithstanding any other law to the contrary, shall do all of the following:
 - (1) Develop, with the advice, assistance, and approval of the division of strategic technology solutions, an Internet-based electronic filing process for use by all candidates for state public office and all political campaign committees that are required to file statements and reports with the registry of election finance;
 - (2) Develop, with the advice, assistance, and approval of the division of strategic technology solutions, a system that provides each candidate and campaign committee with secure access to the electronic filing system. The system shall provide safeguards against efforts to tamper or change the data in any way;
 - (3) Provide training to candidates and campaign committees on the use of the electronic filing system;
 - (4) Develop, with the advice, assistance, and approval of the division of strategic technology solutions, a system that will forward a copy of any candidate's report that is filed electronically with the registry of election finance to the appropriate local county election commission; and

(5) Provide public access to a list of campaign contributions made to candidates and a list of expenditures made by those candidates by posting the lists on the Internet. In addition, the registry shall provide assistance to anyone seeking to access this information on the Internet. Beginning with the 2006 regular August election, campaign contribution lists shall be made available on the Internet after a candidate has filed the information and the registry has reviewed the statements for accuracy and timeliness. If a candidate has not timely filed campaign contribution lists, then the registry shall post on the Internet that the candidate's statement is delinquent.

(b) The registry of election finance, once the development of the electronic filing system is completed and tested, shall provide public notice that the system is operational and available for filers to commence use.

(c) The registry of election finance shall, with the advice, assistance, and approval of the division of strategic technology solutions, implement the electronic filing system for use in the 2006 regular August election and all subsequent state elections. Candidates for state public offices and campaign committees may commence electronic filing for any state election beginning in the year 2006 and after notice has been given pursuant to subsection (b) and may continue to file electronically all reports for any subsequent state elections. Beginning in July 2006, candidates for state public offices and campaign committees, who have contributions or expenditures in excess of one thousand dollars (\$1,000) per reporting period, shall file electronically all reports for any subsequent state elections. Failure to timely file reports electronically may be penalized as provided in § 2-10-110.

(d) All information entered by any candidate or campaign committee into the electronic filing system shall remain confidential until the information is filed with the registry of election finance.

(a) The registry of election finance shall conduct audits and field investigations of reports and statements filed with the registry as follows:

(1) Each gubernatorial candidate and that candidate's committees that receive at least ten percent (10%) of the vote at the general election shall be audited;

(2) Each candidate for the general assembly and such candidate's committees shall be subject to an audit by the registry on a random selection of districts in an election. Districts shall be randomly drawn until a total of approximately four percent (4%) of all candidates for the general assembly have been selected. Notwithstanding any law to the contrary, for any audit conducted by the registry under this subdivision (a)(2), the registry shall only conduct the audit for the immediately preceding election cycle and shall not require the production or disclosure of, or consider for purposes of the audit, any information or documents relating to any other election cycle; and

(3) Each candidate for supreme court, court of appeals and court of criminal appeals shall be subject to an audit by the registry on a random selection. One (1) candidate from each of the supreme court, court of appeals and court of criminal appeals shall be randomly selected by the registry to be audited each election cycle.

(b)(1)(A) The registry shall select by lot the districts to be audited on a random basis regarding candidates for the general assembly. For judicial offices, the registry shall select by lot the names of candidates to be audited on a random basis.

(B) The selection shall be after the last date for filing the first report or statement following the general election for which the candidate ran or for which the committee donated money. The attorney general and reporter, or the attorney general's designee, shall attend the random selection to preserve the integrity of the proceeding.

(2) No audit or investigation of any candidate or candidate's committee in connection with a report or statement required by this chapter shall begin until after the last date for filing the first report or statement following the general election for the office for which the candidate ran. When the campaign statements or reports of a candidate are audited and investigated, the audit and investigation shall cover all campaign statements and reports filed for the primary and general elections and any previous campaign statement or report filed since the last election for that office but shall exclude any statements or reports that have previously been audited.

(3) Audits of members of the general assembly shall only take place during June through December during odd-numbered years.

(c) In order to comply with an audit, candidates and campaigns shall retain copies of all checks, bank statements and vendor receipts for two (2) years after the date of the election to which the records refer.

(d)(1) The registry shall adopt auditing guidelines and standards with guidance from the comptroller of the treasury, which shall govern audits and field investigations conducted under this section. The guidelines and standards shall be formulated to accomplish the following purposes:

(A) The audits should encourage compliance and detect violations of this chapter;

(B) The audits should be conducted with maximum efficiency in a cost-effective manner; and

(C) The audits should be as unobtrusive as possible, consistent with the purposes provided in this subdivision (d)(1).

(2) In adopting its guidelines and standards, the registry shall consider relevant guidelines and standards of the American Institute of Certified Public Accountants to the extent such guidelines and standards are applicable and consistent with the purposes set forth in this section.

(e) The detailed information received pursuant to this section for an audit shall be considered working papers of the registry of election finance and is, therefore, confidential, and not an open record pursuant to title 10, chapter 7.

(f) After the completion and approval of an audit by the registry, the registry shall post any finding that could result in an assessment of significant penalties on the registry's web site, except that audits of candidates defeated in the primary election shall not be made public until after the general election.

(g) Failure to comply with an audit investigation under this section is a Class 2 offense as defined in § 2-10-110.

Such audits shall be given to the registry and the registry may give the candidate a letter of compliance stating the audit is complete and acceptable.

(2) For purposes of subdivision (a)(1), the registry is authorized to issue a subpoena for any witness or a subpoena duces tecum to compel the production of any books, records, or papers. These subpoenas may be served by registered mail, return receipt requested, to the addressee's business mailing address, or by personnel of the registry, or shall be directed for service to the sheriff of the county where the witness resides or is found, or where the person in custody of any books, records, or papers resides or is found.

(b) In case of a refusal to obey a subpoena issued to any person under subsection (a), any circuit or chancery court of this state within the jurisdiction in which the person refusing to obey the subpoena is found or resides may issue to the person, upon application by the registry, an order requiring the person to appear before the court to show cause why the person should not be held in contempt for refusal to obey the subpoena. Failure to obey a subpoena may be punished by the court as a contempt of court.

PART 3
CAMPAIGN CONTRIBUTIONS LIMITS

2-10-301. Short title; administration and enforcement.

- (a) This part shall be known and may be cited as the “Campaign Contribution Limits Act of 1995.”
- (b) The registry of election finance has jurisdiction to administer and enforce the provisions of this part.

2-10-302. Contribution limitations. (Effective January 1, 2024)

- (a) No person shall make contributions to any candidate with respect to any election which, in the aggregate, exceed:

- (1) For an office elected by statewide election, two thousand five hundred dollars (\$2,500); or
- (2) For any other state or local public office, one thousand dollars (\$1,000).

- (b) No multicandidate political campaign committee shall make contributions to any candidate with respect to any election which, in the aggregate, exceed:

- (1) For an office elected by statewide election, the senate, or the house of representatives, seven thousand five hundred dollars (\$7,500); and
- (2) For any other state or local public office, five thousand dollars (\$5,000).

- (c)(1) With respect to contributions from multicandidate political campaign committees for each election:

- (A) No candidate for an office elected by statewide election shall accept in the aggregate more than fifty percent (50%) of the candidate's total contributions from multicandidate political campaign committees; and

- (B) No candidate for any other state or local public office shall accept in the aggregate more than seventy-five thousand dollars (\$75,000) from multicandidate political campaign committees.

- (2) In determining the aggregate limits established by this subsection (c), contributions made to a candidate by a committee controlled by a political party on the national, state, or local level or by a caucus of such political party established by members of either house of the general assembly are not included.

- (d)(1) Each contribution limit established in subsection (a), (b) or (c) shall be adjusted to reflect the percentage of change in the average consumer price index (all items-city average), as published by the United States department of labor, bureau of labor statistics, for the period of January 1, 1996, through December 31, 2010. Each such adjustment shall be rounded to the nearest multiple of one hundred dollars (\$100). The registry of election finance shall publish each such adjusted amount on its web site.

- (2) On January 1, 2013, and every two (2) years thereafter, each contribution limit established in subsection (a), (b) or (c), as adjusted pursuant to subdivision (d)(1), shall be further adjusted to reflect the percentage of change in the average consumer price index (all items-city average), as published by the United States department of labor, bureau of labor statistics, for the two- year period immediately preceding. Each such adjustment under this subdivision (d)(2) shall be rounded to the nearest multiple of one hundred dollars (\$100). The registry of election finance shall publish each such adjusted amount on its web site.

- (e)(1) A candidate for state or local public office, or an elected state or local public office holder, shall not accept a contribution with respect to an election in excess of the loans and obligations outstanding from such election after the close of the reporting period following the date of the election, not including the reporting period in which the election occurs. A successful candidate for state or local public office who reports no outstanding loans or obligations may continue to accept contributions for the purpose of defraying officeholder expenses until the close of the reporting period following the date of the election, not including the reporting period in which the election occurs.

(2) Beginning with the reporting period following the date of the election, not including the reporting period in which the election occurs, a candidate for state or local public office reporting an unexpended balance or an outstanding loan or obligation who has not affirmatively created a new campaign account for the next election shall, in addition to the reporting requirements established by §§ 2-10-105 and 2-10-107, file a complete copy of the candidate's campaign account banking statements corresponding to the full term of the reporting period with the registry or local election commission, as applicable. Such banking statements must continue to be filed by the candidate for each required reporting period until such time as the candidate no longer possesses an unexpended balance of funds or an outstanding loan or obligation, or until such time as the candidate transfers such funds, loans, or obligations to another campaign fund for a subsequent election pursuant to § 2-10-114(a)(1), whichever occurs earlier. A failure to file the required banking statements is a Class 2 offense as defined by § 2-10-110(a)(2).

(3) This subsection (e) does not:

(A) Prevent a candidate who is a candidate in the general election from paying primary election loans and obligations with funds that represent contributions made with respect to the general election; or

(B) Prevent a candidate who is a candidate in a run-off election from paying loans and obligations with respect to the previous election with funds that represent contributions made with respect to the run-off election.

(f)(1) Contributions received by a candidate must be attributed to the appropriate election, and reported accordingly, in accordance with the following criteria:

(A) In the case of a contribution designated in writing by the contributor for a particular election, the election so designated; and

(B) In the case of a contribution not designated in writing by the contributor for a particular election, the next election after the contribution is made.

(2) A contribution designated in writing for a particular election, but made after that election, must be made only to the extent that the contribution does not exceed the contribution limits from such election. To the extent that such contribution exceeds the contribution limits from such election, the candidate shall either return the contribution to the contributor or obtain written authorization from the contributor to redesignate the contribution to another election within sixty (60) calendar days of the receipt of the contribution.

(g)(1) A contribution made by more than one (1) person, except for a contribution made by a partnership, must include the signature of each contributor on the check, money order, or other negotiable instrument or in a separate writing. If a contribution made by more than one (1) person does not indicate the amount to be attributed to each contributor, the contribution is deemed to be attributed equally to each contributor.

(2) The limitations on contributions in this section apply separately to contributions made by spouses, even if only one (1) spouse has income; provided, that each spouse signs the check, money order, or other negotiable instrument or the separate contributions are designated in writing by the contributing spouses as being independent contributions. Contributions made from an account shared by spouses, regardless of the type of account, must be presumed to be made by the individual authorizing the contribution alone, absent the written designation of independent contributions.

(h) The limitations of this section apply separately with respect to each election. An election in which a candidate is unopposed is a separate election for the purposes of the limitations on contributions in this section.

2-10-303. Determination of contributions.

For purposes of the limitations contained in this part:

(1) Contributions made to any political campaign committee authorized by a candidate to accept contributions on the candidate's behalf shall be considered to be contributions made to such candidate;

(3) Bears the usual and customary interest rate of the lending institution.

(b) An endorsement or guaranty of a loan made pursuant to subsection (a) shall be considered a contribution in the amount of the endorsement or guaranty and shall be subject to the limitations contained in this part. Where the written instrument does not specify the portion of the loan for which the endorser or guarantor is liable, each endorser or guarantor shall be considered to have made a contribution in that proportion of the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

2-10-305. Application of part.

The limits contained in this part do not apply to:

(1) The retention of funds by a candidate pursuant to § 2-10-114(a)(1);

(2) The transfer of funds by a candidate pursuant to § 2-10-114(a)(1) to a campaign fund of the same candidate for election to a different state or local public office; or

(4) Expenditures for education campaign seminars and for training of campaign workers unless the expenditures are made on behalf of a clearly identified candidate and the expenditure can be directly attributed to that candidate.

(c)(1) Each contribution limit established in subsection (a) shall be adjusted to reflect the percentage of change in the average consumer price index (all items-city average), as published by the United States department of labor, bureau of labor statistics, for the period of January 1, 1996, through December 31, 2010. Each such adjustment shall be rounded to the nearest multiple of one hundred dollars (\$100). The registry of election finance shall publish each such adjusted amount on its web site.

(2) On January 1, 2013, and every two (2) years thereafter, each contribution limit established in subsection (a), as adjusted pursuant to subdivision (c)(1), shall be further adjusted to reflect the percentage of change in the average consumer price index (all items-city average), as published by the United States department of labor, bureau of labor statistics, for the two-year period immediately preceding. Each such adjustment under this subdivision (c)(2) shall be rounded to the nearest multiple of one hundred dollars (\$100). The registry of election finance shall publish each such adjusted amount on its web site.

2-10-307. Prohibition on accepting contributions.

(a) No candidate or political campaign committee shall accept any contribution or make any expenditure in violation of this part. No officer or employee of a political campaign committee shall accept a contribution made for the benefit or use of a candidate, or make any expenditure on behalf of a candidate, in violation of any limitation imposed on contributions and expenditures under this section.

(b) In keeping with the federal law, a contribution made or accepted in excess of the limitations established by this part shall not be a violation of this part if the candidate or the political campaign committee returns or refunds the contribution to the person who made the contribution within sixty (60) days of the candidate's or committee's receipt of the contribution.

In any such contested case proceeding, the person or political campaign committee bears the burden of proof to establish that the person or committee's conduct complied with this part.

(d) If a civil penalty lawfully assessed against a candidate is not paid within thirty (30) days after the assessment becomes final, the candidate shall be ineligible to qualify for election to any state or local public office until such penalty is paid.

(e) If a civil penalty lawfully assessed and all lawfully assessed costs attendant to the penalty against a political campaign committee are not paid within thirty (30) calendar days after the assessment becomes final:

0530-01-01-.12 ISSUANCE AND APPEAL OF CIVIL PENALTY ASSESSMENT ORDERS.

- (1) A civil penalty order issued by the Registry assessing penalties against a candidate or political campaign committee cannot be issued unless a majority of the Registry members present have voted that such an order be issued. Once a majority of the Registry members have voted that such an order should be issued, the chairperson or executive director shall have the authority to issue the order on behalf of the Registry.

- (2)
 - (a) A civil penalty order assessing civil penalties shall be mailed by registered or certified mail to the candidate or political campaign committee to whom the order is issued, and the party to whom it is issued shall be provided thirty (30) days from the date of the issuance of the order to either appeal the Registry's order pursuant to the procedures provided for under

Tennessee's Administrative Procedures Act, T.C.A. § 4-5-301, et seq.,
or to pay the assessed penalties to the Registry.
 - (b) If the civil penalty assessment order is returned to the Registry from the United States Postal Service as unclaimed, then the order shall be reissued and mailed by the Registry by overnight mail delivery to the candidate or political campaign committee. The candidate or committee shall then have thirty (30) days from the date of the reissuance of the order to either appeal the Registry's order pursuant to procedures provided under the Uniform Administrative Procedures Act, compiled in T.C.A., Title 4, Chapter 5, Part 3, or to pay the assessed penalties to the Registry.
- (3) In order for a candidate or a political campaign committee to appeal an order issued by the Registry assessing civil penalties, the candidate or political campaign committee shall file a petition with the Registry. The Registry shall request that the Attorney General take legal action on its behalf to collect the civil penalties from the candidate or committee against whom the action has been taken.

Authority: T.C.A. §§ 2-10-110 and 2-10-207(1). **Administrative History:** Original rule filed March 12, 1993; effective April 26, 1993.

0530-01-01-.13 RECONSIDERATION OF THE ISSUANCE OF CIVIL PENALTY ASSESSMENT ORDERS.

- (1) If a candidate or political campaign committee against whom a civil penalty assessment order has been issued by the Registry wishes to request that the Registry reconsider the matter, the candidate or committee must follow these procedures to have the Registry consider the request:
 - (a) The candidate or committee must file a written request with the Registry asking that the assessment of civil penalties against the candidate or committee be reconsidered by the Registry. The written request for reconsideration must be filed with the Registry within fourteen (14) days of the date of the issuance of the Registry's order assessing civil penalties.
 - (b) For a written request for reconsideration to be considered by the Registry, the candidate or committee must include additional information concerning the matter that was not available for the Registry's consideration at its meeting at

which the civil penalty order was issued by the Registry. If no additional information is included in the request for reconsideration, the Registry may choose not to reconsider the matter.

- (c) If the candidate or political campaign committee files a written request for reconsideration of an assessment of civil penalties with the Registry and asks to make a personal appearance before the Registry at a regularly scheduled meeting and, without good cause, fails to appear at that meeting without having notified the Registry prior to the meeting, the Registry will deny the request for reconsideration.
- (d) While a request for reconsideration of a civil penalty order by a candidate or political campaign committee is pending before the Registry, the Registry's order assessing penalties does not become final until a determination is made by the Registry as to the request for reconsideration. Upon a vote of a majority of the Registry members to deny a candidate's or political campaign committee's request for reconsideration of any civil penalty assessment order, the Registry shall issue an order denying the request and providing the candidate or committee ten (10) days after the date of the issuance of the order to appeal the original assessment order under the *Tennessee Administrative Procedures Act* before the order becomes a final order.

- (1) A candidate may submit to the Registry a written request for an advisory opinion as to the application of the Campaign Financial Disclosure Law. In submitting such a request, the candidate shall include a complete description of all facts relevant to the specific transaction or activity which is the subject of the opinion request.
- (2) After reviewing a candidate's request for an advisory opinion and if the Registry staff determines that more information from the candidate is necessary in order for the Registry to properly respond to the request, the staff shall notify the candidate of the additional information which should be submitted to the Registry.
- (3) If the Registry staff determines that an advisory opinion request contains a complete description of the proposed transaction or activity, the staff shall notify the candidate making the request that it was received by the Registry and that the matter shall be presented by the staff to the board at its next scheduled meeting for an advisory opinion to be issued.
- (4) After reviewing a candidate's advisory opinion request and upon determining that the request presents essentially the same fact situation or proposed activity which was the subject of an advisory opinion previously issued by the Registry, the staff may recommend to the board at its next regularly scheduled meeting that a copy of that earlier opinion be sent to the candidate, in lieu of issuing a new opinion. If a majority of the members of the Registry present and voting at the meeting vote to adopt the staff's recommendation, a copy of the previous opinion shall be mailed to the candidate with a memorandum explaining that the analysis and conclusion(s) contained in that previous opinion are applicable to the activity being proposed by the candidate. However, if a majority of the members present and voting at the meeting determine that a new advisory opinion should be issued addressing the candidate's opinion request, the procedures outlined in paragraph 5 through 8 of this rule shall be followed in issuing the opinion, where applicable.

- (5) The Registry staff shall review the question presented in the candidate's request and research the applicable provisions of the Campaign Disclosure Law. A draft of an advisory opinion shall be presented to the members of the Registry at the board's next meeting, with a recommendation from the staff. After reviewing the draft, the members of the Registry present at the meeting shall then vote as to whether to issue the opinion as drafted.
- (6) If a majority of the members of the Registry present and voting at a meeting vote to issue an advisory opinion as drafted by the staff, the advisory opinion shall be issued under the signature of the chairperson. The opinion shall be provided to the candidate who requested it. Additionally, the Executive Director shall forward copies of the opinion to the office of Legislative Legal Services and to all local county election commission offices for dissemination. A copy of the opinion shall be retained on file at the Registry office for public inspection and copying.
- (7) If a majority of the members of the Registry present and voting at a meeting vote not to adopt an opinion as drafted, any board recommended changes shall be made in the opinion by the staff. If the changes voted by the board are minor changes, the staff shall be directed to make those specific changes, and the opinion shall be issued under the signature of the chairperson without further review by the board. The procedures for disseminating the advisory opinion as set forth in paragraph (6) shall then be followed.
- (8) If a majority of the Registry members present and voting at a meeting vote changes to be made to a draft advisory opinion which require the staff to rewrite the opinion with a different result, the Executive Director shall resent another draft of the opinion to the board members at the next scheduled meeting of the Registry.
